Re: 30 Post-General Report (10/15/98-11/23/98)

Dear Ms. Kitchen:

Your March 3, 1999 letter pertaining to the Post-General Report raised two questions. The first concerns the discrepancy between the amounts reported on Line 17 of the Detailed Summary Page and that reported in Schedule A of the report. The discrepancy has been corrected and an amendment to the report was filed with the Commission on February 26, 1999. A copy of the amended report is attached for your records.

The second question raised by your inquiry dealt with contributions to the Heather Wilson campaign. Contributions to the campaign for the general election total \$4,954.95. In addition \$2500 was contributed to her campaign for the New Mexico Special Election on 6/5/98. This contribution was originally designated to the 1998 general election. In our October 30, 1998 letter responding to an inquiry regarding the July Monthly report, we noted the redesignation. The correction was made in our records and the amended report showed the contribution as NM Special Election. However, we failed to properly redesignate that contribution. Attached is an amended July Monthly Report redesignating the contribution.
